FREE WEBINAR

Cancer, Chronic Illness, and Intimacy

Monday January 31, 2022
8 pm ET / 5 pm PT

Want to make 2022 the best year of
your sex life?

From pleasure with a partner, or just
riding solo, nothing is off limits in this
webinar featuring sexual medicine
rockstar
Dr. Rachel Rubin.

We'll tackle sexual dysfunction issues,
answer your questions, and have a
thoughtful and honest conversation
about sex.

Everyone is welcome, including
caregivers and partners!

Dr. Rachel S. Rubin

@drrachelrubin

Dr. Rubin is a board-certified urologist and sexual medicine specialist. She is one of only a handful of physicians with fellowship training in sexual medicine for all genders.

Dr. Rubin is a clinician, researcher, and passionate educator. In addition to being education chair for the International Society for the Study of Women's Sexual Health (ISSWSH), she serves as associate editor for the journal Sexual Medicine Reviews.

Dr. Rubin completed her medical education at Tufts University, her urology training at Georgetown University, and her sexual medicine fellowship training with Dr. Irwin Goldstein in San Diego.
